If you received a Net Teller ID from a Vantage Bank employee at account opening, you can login using the Net Teller ID as your username and the last four numbers of your SSN as your password.

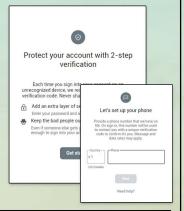

If you did NOT receive a Net Teller ID, follow the next steps to enroll in online banking.

Select "Enroll" and fill in the New user enrollment screen with your SSN or EIN, Account Number, Email, and Phone Number

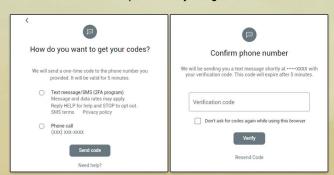

Get Started setting up 2-factor authentication. Each time you sign into your account on an unrecognized device, it will require your password and a verification code. Once you select "Get Started", you'll be prompted to enter your

phone number.

Log in to your account.

Select how you would like to receive your verification code; text message or phone call. Once you receive the code, enter it into the box. If you are using a private computer/browser, you can select the box "Don't ask for codes again while using this browser" to skip this step next time you login

You're all Set!

Accept the User Agreement and continue on to create your username and password.
